General English (GE) CRICOS Code: 0101937

General English is for students who want to improve their overall English skills and using topics in class such as travel, lifestyle, technology, and entertainment. The course is ideal if you need to improve your English before starting an exam preparation course like IELTS Preparation or Cambridge Preparation.

We have five levels of General English at Navitas English. Students usually spend 10 -15 weeks at each level:

Language level	Course duration*
Elementary	10 – 15 weeks
Pre-Intermediate	10 – 15 weeks
Intermediate	10 – 15 weeks
Intermediate Plus	10 – 15 weeks
Upper-Intermediate	10 – 15 weeks
Advanced	10 – 15 weeks

*students may need to study more or less than 10-15 weeks for each level depending on their level when they start the course, their attendance, and their language learning abilities and effort. Students can start the GE course any Monday and they can choose how many weeks to study depending on visa type limitations.

What will I study in General English?

You will study speaking, listening, writing, and reading skills plus grammar and vocabulary that improve your overall English skills. There are lots of opportunities to learn about your classmates, their cultures, and interests. GE is a fun and exciting language learning course that can help you at work, play and with the next steps for your career or higher education goals.

How does Navitas English decide which class to put me in?

On your first day at Navitas English, the academic team will test your English and they will put you in the class most suited to your overall English language ability. If you have submitted an official test score such as IELTS or have a result from the Navitas English Overseas Test and it has been accepted and confirmed by Navitas English in writing, you are not required to do a test on your first day to determine your level.

However, the academic team will do a speaking assessment with all new students on day one to check your level. It helps them to know your strengths and weaknesses so your teacher can work with you on improving your needed areas.

Assessment & Course Progress for General English

Requirements to achieve satisfactory course progress

Students are required to demonstrate communicative competence in 3 of the 4 macro skills (speaking, listening, reading, and writing) sufficient for progression to the next highest level after 10-15 weeks of study at a particular level, both in weekly assessments and participation in interactive classroom activities.

For example, after spending 10-15 weeks in Elementary (CEFR A2) a student is expected to demonstrate communicative competence at Pre-Intermediate level (CEFR B1) in at least 3 of the following: speaking, listening, reading and writing.

Students who are not able to demonstrate progress on this basis may continue to study in the same level beyond the first 15-week period and then have a maximum of 10 more weeks to demonstrate communicative competence at the next highest level.

Failure to achieve satisfactory course progress

Unless there are justifiable reasons (see below), a student who is unable to demonstrate communicative competence in 3 of the 4 macro skills sufficient for progression to the next highest level after 25 weeks in the same level of General English is considered to have failed to achieve satisfactory course progress and may be reported to immigration. For example:

GE Level	Duration of Study	Action
Pre-Intermediate	15 weeks (3 of 4 macro skills fails)	Academic counselling with the Teacher or Senior Teacher
Pre-Intermediate	10 more weeks (up to 25 weeks of study at the same level)-no progress is shown; 3 of 4 macro skills fails.	Meeting with the Centre Manager <i>Intend to report letter</i> for the lack of progress* Reported to Immigration for not meeting student visa requirements

*In accordance with complaints and appeals procedures (see page 27 of this handbook), you will have up to 20 working days to make an internal appeal before you are due to be reported by the centre manager. You will also be provided the information regarding how to make an external appeal.

Navitas English will consider any justifiable reasons for students not to progress after 25 weeks.

These may include learning difficulties, conditions such as stress, anxiety, ongoing homesickness, and personal matters impacting studies such as financial hardship or relationship issues. You will not be reported if you demonstrate and evidence of such issues but may be encouraged to take a course break and in some cases, to seek professional help.

Students who are reported for failure to make course progress may be demonstrating in-class behaviour such as purposefully not concentrating or participating in class activities, not paying attention to the teaching such as in constant use of their mobile devices, showing no commitment to advice from the teacher(s) or senior teachers after 15 weeks of study at the same level, and not taking advantage of study support such as 1:1 teacher appointments and attending the myStudy program.

General English course outcomes are on the Navitas English website.

IELTS Preparation CRI COS Code: 093053F

IELTS (International English Language Testing System) is an internationally recognised test. Please use IELTS scores for employment, migration (visa to stay in English speaking countries), and further study at TAFEs, vocational colleges, and universities. The course will help higher level students develop their speaking, listening, writing, and reading skills. There are two class levels:

IELTS Levels	IELTS Band score	Course Duration

IELTS Advanced	5.5 to 7.5	1-32 weeks

What will I study in IELTS?

You will study speaking, listening, writing, and reading skills with test preparation strategies for both the Academic and General test components of the exam. You will do regular practice tests and mock tests so that you are fully prepared for the official IELTS test. Navitas English recommends a minimum of 4 weeks of study so you are familiar with all the test sections, but students can start any week and choose the number of weeks they study depending on visa type limitations.

Assessment & Course Progress for IELTS

Requirements to achieve satisfactory course progress

In weekly practice IELTS tests, students are required to demonstrate an improvement equivalent to half an IELTS band in at least 3 of the 4 skills sections after 10-15 weeks.

Students who are not able to demonstrate progress on this basis may continue to study in the same level beyond the first 15-week period and then have a maximum of 10 more weeks to demonstrate the required improvement.

Failure to achieve satisfactory course progress

Unless there are justifiable reasons (see below), a student who is unable to demonstrate an improvement equivalent to half an IELTS band in at least 3 of the 4 skills sections after 25 weeks in the same level of IELTS Preparation is considered to have failed to achieve satisfactory course progress and may be reported to immigration.

For example:

IELTS Level	Duration of Study	Action
Upper-Intermediate 5.0 to 5.5 (equivalent)	15 weeks (3 of 4 macro skills fails to reach 5.5)	Academic counselling with the Teacher or Senior Teacher
Upper-Intermediate 5.0 to 5.5 (equivalent)	10 more weeks (up to 25 weeks of study -no progress is shown; 3 of 4 macro skills fails to achieve a half band increase to 5.5)	Meeting with the Centre Manager <i>Intend to report letter</i> for the lack of progress* Reported to Immigration for not meeting student visa requirements

*In accordance with complaints and appeals procedures (see page 27 of this handbook), you will have up to 20 working days to make an internal appeal before you are due to be reported by the centre manager. You will also be provided the information regarding how to make an external appeal.

You will study speaking, listening, writing, reading skills, learning new vocabulary and grammar and test preparation strategies. Assessment & Course Progress for Cambridge courses

Requirements to achieve satisfactory course progress

In each Cambridge course there are 2 mock tests. Students are required to pass at least 3 of the 4 skills sections in the final mock test.

Failure to achieve satisfactory course progress

Unless there are justifiable reasons, a student who is unable to pass at least 3 of the 4 skills sections in the final mock Cambridge test at the end of their second attempt to pass a particular level is considered to have failed to achieve satisfactory course progress and may be reported to immigration. For example:

Cambridge B2 First	Duration of Study	Action
Upper-Intermediate to advanced	10 -12 weeks – 3 of 4 macro skills do not pass in final mock	Academic counselling with the Teacher or Senior Teacher
Upper-Intermediate to advanced	10 -12 more weeks to repeat course. After up to 24 weeks of study - no progress is shown; 3 of 4 macro skills fail to achieve a pass at B2 First level in final mock	Meeting with the Centre Manager <i>Intend to report letter</i> for the lack of progress* Reported to Immigration for not meeting student visa requirements

Navitas English will consider any justifiable reasons for students not to progress after 24 weeks.

These may include learning difficulties, conditions such as stress, anxiety, ongoing homesickness, and personal matters impacting studies such as financial hardship or relationship issues. You will not be reported if you demonstrate evidence of such issues but may be encouraged to take a course break and in some cases, to seek professional help.

Students who are reported for failure to make course progress may be demonstrating in-class behaviour such as purposefully not concentrating or participating in class activities, not paying attention to the teaching such as in constant use of their mobile devices, showing no commitment to advice from the teacher(s) or senior teachers after 15 weeks of study at the same level, and not taking advantage of study support such as 1:1 teacher appointments and attending the myStudy program.

- Student Orientation (Day 1)
- The Navitas English Student Guide

The Navitas English attendance policy & procedure is available on the Navitas English website [here](#).

How do we calculate your attendance?

We calculate your attendance in 2 ways:

Current Attendance – Your attendance since you started the course.

Overall Attendance – This is your attendance for all of your enrolment, which is the best possible attendance you can achieve if you do not miss any further classes under your COE.

Your Overall Attendance is used to monitor your attendance for visa reporting purposes.

How do we tell you about your attendance?

You can ask reception at any time to find out your attendance. We will send you letters by email if your overall attendance is below certain levels. These letters tell you about your attendance and give you the opportunity to talk to our staff. The table below tells you all about attendance letters and when we send them out.

Stage	When	Navitas English will:	What you can do
1	Overall Attendance is under 90%	Send you an Attendance Under 90% letter with information and your teacher will explain it to you	Come to school more often and talk to your teacher if you have questions

How do we record your attendance/absences (including lateness)?

Your attendance/absence (including lateness) will be recorded using the below criteria which applies if you arrive late for class and if you leave early:

- You will be marked absent for each full 15-minute period (i.e., 0.25 of an 1 hour)

Note that in the event of an Internal Appeal, you may be requested to show your medical certificates to the Department of Home Affairs.

Doctors and Hospitals

We understand that being sick away from home can cause a lot of anxiety, and we will do everything we can to help.

If you are staying in a homestay, your homestay family can help you make an appointment to see a doctor. If you prefer, there are medical centres close to the school and we can make an appointment for you. There are also online medical services you can access, and you can contact us for details of these.

Often you will need to pay the doctor first and use the receipt to get the money back from your insurance company. This can be done online, or you can fill out a claim form.

If you need to visit a hospital, your insurance may pay for this (including an ambulance) depending on the terms and conditions of your policy. We strongly recommend checking this before starting your enrolment. You also have the choice of visiting a private hospital.

If you need help finding medical centres please ask at Reception.

Perth Transport Information

Information source: <https://www.transperth.wa.gov.au/>

The public transport network in Perth is called Transperth. International students can access concession rates under certain conditions. You can buy individual tickets, or you can use a Smartrider card with credit on it.

THE DIFFERENT ZONES OF TRANSPORT

Transperth's public transport service area is divided into nine zones, which are defined by circles centred on Perth city.

Your fare is calculated based on the number of zones you travel through:

- If you travel within the one zone, you will be charged a one-zone fare.
- If you travel over a zone boundary into another zone, you will be charged a two-zone fare.
- All journeys on the Transperth system are capped at a two-zone fare.

Find Transperth Zone Map [here](#)

TIME LIMITS

Transperth fares are valid for a limited time and this time varies depending on how far you are travelling:

- Travelling one to four zones - your fare is valid for two hours
- Travelling five to nine zones - your fare is valid for three hours
- The two-section fare is valid for a single one-way journey and cannot be used to transfer between services
- Cash tickets will have an expiry time printed on it. You can ride on any number of bus, train or ferry services to complete your journey provided you get on board before the expiry time

SmartRider detects your location, calculates travel time, and deducts the correct fare from your card balance. All you need do is remember to tag on and off.

The transfer period commences at the time of the ticket purchase or first tag-on of your SmartRider.

INDIVIDUAL TICKETS

Usually recommended for once-off travels only, and for travellers staying a few days only.

Individual tickets can be handy as they are easily available.

Where to buy tickets:

- In buses (cash only)
- At train stations (depending on the machines or counters at each station, cash and/or card)

SMARTRIDER CARDS

This is the best way to get around Perth, as it offers a cheaper rate than individual tickets, without having to purchase a ticket each time before your trip.

To be considered a valid ticket, the Smartrider card must be tapped on when getting on the bus/train/ferry and tapped off when getting off.

If you don't tap on/off, you could be fined or pay a larger fee.

Buying a new Smartrider card costs \$10, and the initial minimum amount of credit to be added is \$10. So, when you purchase your Smartrider, you will spend \$10 to buy the card, and a minimum of \$10 extra to be able to use the public transport.

There are several types of concessions on Smartrider cards. You can get the Student SmartRider form at Navitas English Perth reception, or at the Transperth Office. You will need to apply to the Student Concession with the form, at the Transperth Office in Yagan Square.

Transperth has special offers for SmartRider Cardholders:

- Free public transport every Sunday of the month
- Free public transport to some special events (updates in buses/trains/on Transperth website)

There are no off-peak/peak hour rates, only the flat rate depending on the zones you travel.

How to top up (= add more money) on your Smartrider?

- On buses (with cash only, minimum \$10)

- At Newsagencies
- At train/bus stations equipped with an add-value machine
- At a Transperth office
- Online, with the autoloader

You can find more information on how and where to top up [here](#).
